Aims and Objectives

KCC currently has in place contractual arrangements that are due to expire 21st October 2024, and therefore is seeking new contractual arrangements for processing of dry recyclables (with fibre) for the following Authorities: Canterbury City Council, Tonbridge & Malling Borough Council, Ashford Borough Council, Maidstone Borough Council, Swale Borough Council, Sevenoaks District Council, Gravesham Borough Council and Dartford Borough Council. The contract is proposed to be up 24 months with up to a 36-month extension.

As a Waste Disposal Authority, the provision of such Waste processing services is a statutory obligation under the Environmental Protection Act 1990.

From 22nd October 2024 Kent County Council will:

Secure a Provider to process dry recyclables (with fibre) that have been separated by the resident and collected at the kerbside by the following Waste Collection Authorities: Canterbury City Council, Tonbridge & Malling Borough Council, Ashford Borough Council, Maidstone Borough Council, Swale Borough Council, Sevenoaks District Council, Gravesham Borough Council and Dartford Borough Council

The intended beneficiaries are the residents in Canterbury City Council, Tonbridge & Malling Borough Council, Ashford Borough Council, Maidstone Borough Council, Swale Borough Council, Sevenoaks District Council, Gravesham Borough Council and Dartford Borough Council whose dry recyclables (with fibre) are collected from households by the Waste Collection Authorities.

As the Waste Disposal Authority, Kent County Council is responsible for ensuring that all waste collected in Kent is disposed of correctly in the most financially efficient way. The disposal of this waste is a 'back office' procedure, with all 'customer facing' elements of this process the responsibility of the Waste Collection Authority (WCA).
