#### Aims and Objectives

##### Adults

Community Learning and Skills is KCC's internally commissioned department to deliver Education and Training to adults and young people over 16. KCC CLS is responsible for delivering the Education & Skills Funding Agency (ESA) Adult Education Budget (AEB), Greater London Authority (GLA) budget and ESFA 'Study Programme' courses for NEET young people, on behalf of KCC, which support the goals and objectives of Framing Kent's Future.

Funding rules for Adult Education have changed now redefining 'partners' as sub-contractors, requiring a decision to sub-contract to maintain and potentially realise business opportunities for growth against the delivery of previous specialist provision for example for Deaf/deaf learners.

The focus of funding is now on progression towards, into, and up in work, to meet needs identified in the Local Skills Improvement Plan (LSIP). The DfE have identified new 'aims' being released for delivery of grant funded courses, including a large range of vocational courses which CLS do not have the internal organisational capacity or capability to deliver internally.

##### Young People

There has been a reduction in provision available to 16-19 year old NEETs across Kent due to removal of the European Social Fund. This along with the regrading of GCSE boundaries, has seen an increase in the number of NEETs across Kent and the Department for Education (DfE) has a requirement for KCC to meet this demand under its statutory requirement for provision, through CLS as its provider.

Provision for NEET young people has been held in a deficit position for several years, and recent changes have further impacted this deficit of available provision. At any one time, between 3 and 5 districts have no provision of this type available to the NEET population of Kent. Some of provision losing ESF funding is very niche Alternative Provision, and there is little existing rolling provision for students needing to access education later in the academic year.
