Dear all,

Re: Cabinet, Monday 29th November 2010, Agenda Item 6 *Bold Steps for Kent: The Medium Term Plan to 2014*,

As set out in paragraph 6 of the above report to Cabinet next Monday, please find attached a hard copy of the latest version of Bold Steps for Kent. A PDF copy of this version has also been added to the KCC website today, and further copies have been placed in the Members lounge.

Please note that we have shaded new text or where substantive changes have been made from the Consultation Draft in yellow, in order to allow Members to more easily identify where the main changes have been made.

If you have any questions, or require further copies, please do not hesitate to contact me on the contact details above.

Yours sincerely,

David
