None

Reason(s) for decision, including alternatives considered and any additional information

The service aims to provide short-term beds in our communities and close to individuals and their carers.

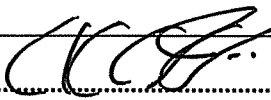

Delegated authority is solely in relation to the awarding of contracts to re-provide beds linked to the Older People's Direct Provision Home Closures. Financial Regulations require Member approval for these contractual arrangements. Financial agreement to re-provision has already been agreed by Members through the Older Persons Futures Strategy.

The need to progress procurement processes to deliver in a timely fashion has been recognised and supported, whilst recognising delegated authority must be secured before any related contract awards can be made.
