- 2.2 Further terms of reference can be found in the Constitution at Appendix 2 Part 4 paragraph 21 and these should also inform the suggestions made by members for appropriate matters for consideration.

3. Work Programme 2014/15

- 3.1 The Cabinet Committee is requested to consider and note the items within the proposed Work Programme, set out in appendix A to this report, and to suggest any additional topics that they wish to be considered for inclusion to the agenda of future meetings.
- 3.3 When selecting future items the Cabinet Committee should give consideration to the contents of performance monitoring reports. Any 'for information' or briefing items will be sent to Members of the Cabinet Committee separately to the agenda or separate member briefings will be arranged where appropriate.

4. Conclusion

- 4.1 It is vital for the Cabinet Committee process that the Committee takes ownership of its work programme to help the Cabinet Member to deliver informed and considered decisions. A regular report will be submitted to each meeting of the Cabinet Committee to give updates of requested topics and to seek suggestions for future items to be considered. This does not preclude Members making requests to the Chairman or the Democratic Services Officer between meetings for consideration.
