Dear Mr Gough

For the purposes of good governance, could you please confirm that you are aware of, and in agreement with, actions being taken to delay the implementation of the decision concerning Foxwood and Highview schools as a result of delays to the building project timelines.

If and when you confirm the decision will be updated to read:

- (i) close Foxwood School on 31 August 2016
- (ii) relocate Highview School and increase the designated number from 282 to 336 for September 2016.

Kind regards, Lou
