## **1. Introduction**

“Cabinet Committees shall review the performance of the functions of the Council that fall within the remit of the Cabinet Committee in relation to its policy objectives, performance targets and the customer experience.”

1.2 To this end, each Cabinet Committee is receiving a performance dashboard.

## **2. Performance Report**

2.1 The main element of the performance report can be found at Appendix 1, which is the Adult Social Care dashboard which includes latest available results for the key performance and activity indicators

2.2 The Adult Social Care dashboard is a subset of the detailed monthly performance report that is used at team, Divisional Management Team (DivMT) and Directorate Management Team (DMT) level. The indicators included are based on key priorities for the Directorate, as outlined in the business plans, and include operational data that is regularly used within Directorate. The

dashboard will evolve for Adult Social Care as the transformation programme is shaped.

- 2.3 Cabinet Committees have a role to review the selection of indicators included in dashboards, improving the focus on strategic issues and qualitative outcomes, and this will be a key element for reviewing the dashboard
- 2.4 A subset of these indicators is also used within the quarterly performance report, which is submitted to Cabinet.
- 2.5 As an outcome of this report, members may make reports and recommendations to the Leader, Cabinet Members, the Cabinet or officers.
- 2.6 Performance results are assigned an alert on the following basis:
