1. Introduction

1.2. The Dartford district section of the Kent Commissioning Plan for Education Provision 2016-20 identifies a local pressure in Year 7 places in Dartford. The

Commissioning Plan identified a need to provide additional places in the district from September 2016.

- 1.3. Every school in the district was considered as a possible proposal for expansion according to several criteria, including location, cost, proximity to demand, site size, willingness of the school, highways issues, Sport England and Ofsted rating. Wilmington Girls Grammar School was identified as one of the best options for expansion according to these criteria.

2. Financial Implications

- 2.1. It has been agreed by the Governing Body to permanently enlarge Wilmington Girls Grammar School, increasing the PAN to 150 (5FE) for the September 2016 intake and eventually a total capacity of 750 7-11 places.
 - a. Capital – Kent County Council’s contribution will be £2.8m. KCC acknowledge that the final amount may be higher or lower as the costs of the project are an estimate. If the cost of the project is greater than 10%, the Cabinet Member will be required to take a further decision to allocate the additional funding.
 - b. Revenue – For a period of three academic years, the school will receive protection for an additional 30 Year pupils. For each additional classroom, resulting from the expansion of the school, the sum of £6,000 will allocated towards the classroom setup costs.
 - c. Human – Wilmington Girls Grammar School will appoint additional teachers, as the school size increases and the need arises.

3. Kent Policy Framework

- 3.1. These proposals will help to secure our ambition “to ensure every child will go to a good school where they make good progress and can have fair access to school places” as set out in the Education Commissioning Plan.
- 3.2. The ‘Kent Commissioning Plan for Education Provision, 2016-20’ identified a pressure on secondary school places in Dartford district. The increased numbers of Year 7s coming through the Primary schools, coupled Changes to demographics and increased migration is leading to increased pressure on secondary school places in the planning area.

4. Consultation

- 4.1. Wilmington Girls Grammar School, being an academy, conducted its own consultation.

5. Views

5.1. The Local Member

Cllr Ann Allen was informed of the proposal.

5.2. Headteacher

The Headteacher fully supports the proposal.

5.3. Chair of Governors

The Chair of Governors is fully supportive of the proposal.

5.4. Area Education Officer:

The analysis of the needs in the area indicate that due to immediate pressure and future demand, based on changing demographics in Dartford district, an additional 4FE of secondary capacity is required for September 2016. These 30 year 7 places will help achieve that additional capacity requirement.

5.5. The Director of Planning and Access and I have considered every school in the district with a view to whether that school could be enlarged. I am of the firm opinion that one of the most appropriate, sustainable and cost effective solutions to the demand in the Dartford district is to enlarge Wilmington Girls Grammar School by 30 year 7 places to 5FE.

6. Proposal

6.1. The proposed expansion of Wilmington Girls Grammar will improve parental choice for Secondary school places in the Dartford area. The process to implement the proposal to increase the physical capacity of an academy is outlined in the DfE advice for Academy Trusts and the responsibility to carry out a consultation with stakeholders and seek approval by the Secretary of State, lies with the governing body. Capital funding and building works for the proposed expansion of Wilmington Girls Grammar School are subject to KCC statutory decision making process and planning.

6.2. An Equality Impact Assessment has been completed as part of the consultation. To date no comments have been received and no changes are required to the Equality Impact Assessment.

7. Delegation to Officers

7.1. The Officer Scheme of Delegation; under Appendix 2 part 4 of the Council's Constitution, provides a clear and appropriate link between this decision and the actions needed to implement it. For information it is envisaged, if the proposal goes ahead, that the Director of Infrastructure will sign contracts on behalf of the County Council.

8. Conclusions

- 8.1. Forecasts for Dartford district indicate an increasing demand for secondary school places, due to small & medium scale housing development, the outturn from the last five years of primary expansion and inward migration.
- 8.2. This enlargement will add an additional 30 Year 7 places to the capacity per year, in line with priorities in the Kent Policy Framework, 'Vision and Priorities for Education and Young People's Services' and the 'Commissioning Plan for Education' (2016 – 2020).

9. Recommendation:
