Summary: The performance dashboard provides Members with progress against targets set for key performance and activity indicators for April 2016 for Adult Social Care.

Recommendation: The Adult Social Care and Health Cabinet Committee is asked to **CONSIDER** the Adult Social Care performance dashboard

1. Introduction

1.1 Appendix 2 Part 4 of the Kent County Council Constitution states that:

“Cabinet Committees shall review the performance of the functions of the Council that fall within the remit of the Cabinet Committee in relation to its policy objectives, performance targets and the customer experience.”

1.2 To this end, each Cabinet Committee is receiving a performance dashboard.

2. Performance Report

2.1 The main element of the Performance Report can be found at **Appendix A**, which is the Adult Social Care dashboard and includes latest available results for the key performance and activity indicators.

2.2 The Adult Social Care dashboard is a subset of the detailed monthly performance report that is used at team, DivMT and DMT level. The indicators included are based on key priorities for the Directorate, as outlined in the current business plans and transformation programme, and include operational data that is regularly used within Directorate. The dashboard will evolve for Adult Social Care as the transformation programme is shaped.

- 2.3 The latest report contains the most up to date indicators with revised targets, based on the delivery of our transformation programme (Phase 1 and Phase 2). This includes ensuring that the interdependencies between services are understood and that the targets reflect these. For example, a reduction in nursing care may mean an increase in residential care.
- 2.3 Cabinet Committees have a role to review the selection of indicators included in dashboards, improving the focus on strategic issues and qualitative outcomes, and this will be a key element for reviewing the dashboard
- 2.4 A subset of these indicators is also used within the quarterly performance report, which is submitted to Cabinet.
- 2.5 As an outcome of considering this report, Members may make reports and recommendations to the Leader, Cabinet Members, the Cabinet or officers.
- 2.6 Performance results are assigned an alert on the following basis:

Green: Current target achieved or exceeded

Red: Performance is below a pre-defined minimum standard

Amber: Performance is below current target but above minimum standard.
