Summary: This report gives details of the proposed work programme for the Children's Social Care and Health Cabinet Committee.

Recommendation: The Children's Social Care and Health Cabinet Committee is asked to consider and agree its work programme for 2017/18.

1. Introduction

1.1 The proposed Work Programme has been compiled from items on the Forthcoming Executive Decisions List, from actions arising from previous meetings and from topics identified at agenda setting meetings, held six weeks before each Cabinet Committee meeting, in accordance with the Constitution, and attended by the Chairman, Vice-Chairman and Group Spokesmen.

1.2 Whilst the Chairman, in consultation with the Cabinet Member, is responsible for the final selection of items for the agenda, this item gives all Members of the Cabinet Committee the opportunity to suggest amendments and additional agenda items where appropriate.

2. Terms of Reference

2.1 At its meeting held on 27 March 2014, the County Council agreed the following terms of reference for the Children's Social Care and Health Cabinet Committee:- *"To be responsible for those functions that sit within the Social Care, Health and Wellbeing Directorate which relate to Children"*. 2.2 Further terms of reference can be found in the Constitution at Appendix 2, Part 4, paragraphs 21 to 23, and these should also inform the suggestions made by Members for appropriate matters for consideration.

3. Work Programme 2017/18

3.1 An agenda setting meeting was held on 11 November 2016, at which items for this meeting's agenda were agreed and future agenda items discussed. The Cabinet Committee is requested to consider and note the items within the proposed Work Programme, set out in the appendix to this report, and to suggest any additional topics that they wish to be considered for inclusion in the agenda of future meetings.

3.2 The schedule of commissioning activity which falls within the remit of this Cabinet Committee will be included in the Work Programme and considered at future agenda setting meetings. This will support more effective forward agenda planning and allow Members to have oversight of significant service delivery decisions in advance.

3.3 When selecting future items, the Cabinet Committee should give consideration to the contents of performance monitoring reports. Any 'for information' or briefing items will be sent to Members of the Cabinet Committee separately to the agenda, or separate Member briefings will be arranged, where appropriate.

4. Conclusion

4.1 It is vital for the Cabinet Committee process that the Committee takes ownership of its work programme to help the Cabinet Members to deliver informed and considered decisions. A regular report will be submitted to each meeting of the Cabinet Committee to give updates of requested topics and to seek suggestions of future items to be considered. This does not preclude Members making requests to the Chairman or the Democratic Services Officer between meetings for consideration.

5. Recommendation:

The Children's Social Care and Health Cabinet Committee is asked to consider and agree its work programme for 2017/18.
