Key decision*

Yes –

Subject: : Thanet and Sevenoaks Bus Service changes

Decision:

As Cabinet Member for Planning, Highways, Transport and Waste, I agree to the implementation of changes to selected bus services in Thanet and Sevenoaks effective from April 2019

Reason(s) for decision:

Within the MTFP, there is a proposed reduction to the budget for Socially Necessary Bus Services (SNBS) of £455k.

Whilst there is a statutory requirement on Local Authorities to consider the provision of funding for SNBS, there is no statutory requirement to provide the funding. KCC has historically and continues to provide funding for SNBS.

This support amounts to 3% of the total bus mileage in Kent; the remaining 97% is commercially operated.

Following constructive dialogue with bus operators, proposals were received for changes to services in Thanet and Sevenoaks which will deliver savings with minimal impact to service users through changes to commercial bus provision already in place or a revised service offer.

Cabinet Committee recommendations and other consultation:

On 11 March 2016, a paper was presented to the E&T Cabinet Committee outlining the need to go to public consultation on changes to three KCC funded bus services in Thanet and two in Sevenoaks

A public consultation on the proposals was carried out between 22 November to 19 December.
