1. Introduction

1.1 The Local Authority (LA), as the admissions authority for Community and Voluntary Controlled schools, is required to determine its admission arrangements for these schools by 28 February each year.

1.2 The Education Act 2002 includes a duty on each LA, to formulate a scheme to co-ordinate admission arrangements for all maintained schools in its area and to take action to secure the agreement to the scheme by all admission authorities. Education Cabinet Committee is requested to comment and inform the forthcoming Cabinet Member decision to agree the Co-ordinated scheme for Admissions to Primary and Secondary schools in Kent for 2021/22 and determine the proposed admission arrangements for Community and Voluntary Controlled schools.

1.3 All admission arrangements identified in this document are outside the arrangements for pupils with Education, Health and Care Plans (EHCP).

1.4 KCC has consulted the Headteachers and Governors of all Kent Primary and Secondary schools; the neighbouring LAs and diocesan bodies on its proposals to co-ordinate admissions to all Kent Primary and Secondary schools in September 2021. Due to the fact the scheme remains broadly unchanged as in previous years admissions authorities have been advised that non-response to the consultation, constitutes full acceptance to the proposals.

2. Consultation Processes

2.1 An LA consultation ran from 25 October 2019 until 9 December 2019 and considered the following aspects:

- a) The Primary Co-ordinated Admission Scheme including the In Year admissions process for 2021/22;
- b) The Secondary Co-ordinated Admission Scheme including the In Year admissions process for 2021/22;

2.2 Three further LA consultations ran from 4 November 2019 until 16 December 2019 for the reduction to Published Admissions Number for Herne Bay Infant School, Four Elms' Primary School and West Kingsdown Primary school for 2021/22;

3. Outcome

- (a) **The Co-ordinated Primary Admissions Scheme 2021/22 incorporating In Year**

admissions process

a.i All Admissions Authorities within Kent agreed to the proposed Co-ordinated Primary Admissions Scheme for 2021/22. No Infant, Junior or Primary schools or Academies have refused to accept the scheme. The scheme dates are set out in a similar way to last year following broadly similar scheme dates. The scheme specifies a process for schools to follow when making offers for in year applications and includes a requirement to inform the LA of all applications and outcomes to enable continued monitoring of pupil movement to maintain essential safeguarding duties.

a.ii The LA is required to assist parents where they have difficulty securing a school place. Schools and academies must keep the LA informed about the vacancies in each year group as they arise in order for the LA to carry out its statutory duty to ensure every eligible child has a school place.

a.iii The details of the scheme for determination are located in Appendix A

(b) The Co-ordinated Secondary Admissions Scheme 2021/22 incorporating the In Year Admissions Process

b.i The Secondary Co-ordinated Scheme was agreed by all Kent Admissions Authorities. No Secondary schools or Academies refused to accept the proposed scheme. The scheme dates are set out in a similar way to last year following broadly similar scheme dates. The scheme specifies a process for schools to follow when making offers for in year applications and includes a requirement to inform the LA of all applications and outcomes to enable continued monitoring of pupil movement to maintain essential safeguarding duties.

b.ii The LA is required to assist parents where they have difficulty securing a school place. Schools and academies must keep the LA informed about the vacancies in each year group as they arise in order for the LA to carry out its statutory duty to ensure every eligible child has a school place.

b.iii The details of the proposed scheme for determination are located in Appendix B

(c) The Over-subscription Criteria for Community and Voluntary Controlled Infant, Junior and Primary Schools in Kent 2021/22

c.i The proposed over-subscription criteria for Community and Voluntary Controlled Infant, Junior and Primary Schools are the same as those used in 2020. Some drafting improvements have been made to the arrangements to aid comprehension. The LA is no longer required to widely consult where there are no proposals to change Community or Voluntary Controlled school's oversubscription criteria.

c.ii Details of the over-subscription criteria for Community and Voluntary Controlled Infant, Junior and Primary Schools are located in appendix C (1).

(d) The Over-subscription Criteria for Community and Voluntary Controlled Secondary schools in Kent 2021/22

d.i The proposed over-subscription criteria for Community and Voluntary Controlled Secondary Schools is the same as that used in 2020. Some drafting improvements have

been made to the arrangements to aid comprehension and improve accuracy. Because there are no changes proposed, no consultation was required.

d.ii Details of the over-subscription criteria for Community and Voluntary Controlled Secondary Schools in Kent are located in appendix D (1)

(e) The Published Admissions Number for Community and Voluntary Controlled Infant, Junior and Primary Schools 2021/22

e.i The proposed Published Admission Numbers (PAN) for Community and Voluntary Controlled Primary, Infant and Junior schools are identified in Appendix C (2). The LA can only determine the admission number for schools where it is the admissions authority and the schools listed fall into this category, at the time of going to print.

e ii In line with advice from relevant Area Education Officers when taking into account local pupil forecasts for the coming year, the LA consulted to reduce the PANs for Herne Bay Infant School, Four Elms Primary school and West Kingsdown Primary school. The consultation was managed using KCC best practice to ensure a wide demographic was reached. This included contacting families of children currently in the school, all primary and secondary schools within a three- and ten-mile radius respectively (in line with KCC's determined consultation area), advertisement on school notice boards and website, advertisement on KCC admissions website and a consultation notice in the local newspaper. One objection was received for the proposed change for Herne Bay Infant School from a local secondary school questioning the rationale behind the PAN reduction. The relevant Area Education Officer made contact to discuss the rationale behind the proposal and has advised that the reduction should still take place. There were no objections to Four Elms Primary and West Kingwood Primary.

e.iii The LA is not required to hold a local consultation where Published Admissions Numbers are proposed to stay the same or increase. Area Education Officers worked with Community and Voluntary Controlled schools to monitor interest in PAN increases and these are included within Appendix C (2) where agreement was reached.

(f) The Published Admissions Number for Community and Voluntary Controlled Secondary Schools 2021/22

f.i The proposed Published Admission Numbers (PAN) for Community and Voluntary Controlled Secondary schools are detailed in Appendix D (2). The LA can only determine the admission number for schools where it is the admissions authority and the schools listed fall into this category, at the time of going to print.

f.ii The LA is not required to hold a local consultation where Published Admissions Numbers are proposed to stay the same or increase. Area Education Officers worked with Community and Voluntary Controlled schools to monitor interest in PAN increases and these are highlighted within Appendix D (2) where agreement was reached.

(g) Relevant Statutory Consultation Areas 2021/22

g.i Relevant statutory consultation areas have not changed for 2020/21. Details for the Primary arrangements are in Appendix C (3) and Secondary arrangements in Appendix D (3).
